"SHOW AND TELL" BY CLUB MEMBERS

We are skipping the presentation for the November club meeting; instead, we will have a Show and Tell. Bring in your fancy photo equipment, peripherals, tripods, flash diffusers, custom light boxes, etc. Michael Gallelli will be bringing his panoramic tripod head. This should be lots of fun and might give you some Christmas shopping ideas.

MONTHLY PHOTO CHALLENGE – "FALL"

November's monthly photo challenge is "Fall." What reminds you of fall? Is it the changing colors of the leaves, pumpkins, a special festival, family gatherings, or colorful landscape? Choose your favorite subject and bring a photo to the next club meeting.

Requirements: Submit photos on 8 x 10 or 8 ½ x 11 photo paper.

Remember, the next club meeting is on the Tuesday before Thanksgiving, November 24, 2009, At The Globe, 7:00 p.m. Mark your calendar.

ASSIGNMENTS

Point and Shoot Group

Shoot a still scene (like a table setting/still life) from two different perspectives (only move the camera not the still life). Remember to bring in your cameras and instruction manuals.

SLR Group

Set your camera to shutter priority. Dial in a shutter speed of 1/1000 of a second. Take a photo of some type of fast action or movement. The intent is to STOP THE ACTION. Examples - a child jumping caught in mid-air, a football or basketball player jumping for a ball - caught in mid-air, a fast moving horse, car, or object that is crisp and in focus with no blurring.

MISSION

To promote the art of photography as a hobby in a multicultural congenial atmosphere

To promote educational experiences in the pursuit of excellence in photography

To promote public interest in and respect for fine photography.

SPECIAL THANKS

Special thanks to David M. Proett for his presentation on "Composition" at the October 2009 club meeting and sharing his PowerPoint presentation with club members.
